

HC SERIES-PGAIB 2-4637

EAN 8422202246376

Our HC medium duty castors are recommended for medical equipment, institutional applications and for hotels and restaurants. Grey thermoplastic injected rubber wheel. Housing made of high quality polyamide reinforced with fibreglass. Upper swivel head with hardened double ball bearing (swivel plate and bolt hole) and embedded ball bearing (threaded pin). Especially designed to support loads up to 100 kg.

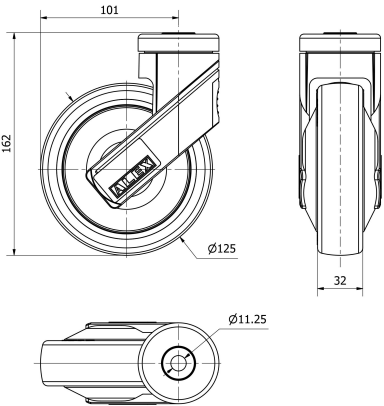

Used in healthcare equipment, operating rooms, beds, hospital furnitures, catering industry, kitchens.

PGAIB: Noiseless, vibrations absorption. Non-marking. Easy rolling.

Technical Data

Housing Type	Swivel
Fitting Type	Bolt hole
Braking System	Without Brake
Material	Rubber
Low Temperature (°C)	-20
Maximum Temperature (°C)	60
Bearing	Ball
Diameter (mm)	125
Width of tyre (mm)	32
Plate hole diameter (mm)	10
Offset (mm)	101
Overall height (mm)	162
Load	100
Unit Weight of the wheel (kg)	0.515
