

ZVI SERIES-PS 2-1683

EAN 8422202216836

Black rubber castors with stainless steel (AISI 304) components. Especially indicated to support high-loads up to 215 Kg.

It is used in: outdoor areas, food trolleys, canteens, dining rooms, restaurants, food industry, logistics for military missions material, packaging machines, conveyor belts, stainless steel constructions, light machinery for the construction, containers, roll containers and transport cages.

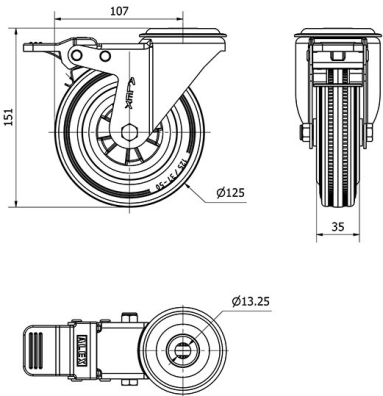

Suitable for mechanical engineering projects by draftsmen and project executors.

PS: smooth and noiseless castor. High floor protection. Absorption to impacts and vibrations.

Technical Data

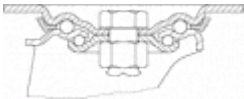

Housing Type	Swivel
Fitting Type	Bolt hole
Braking System	Wheel Brake And Fork
Material	Rubber
Bearing	Plain
Diameter (mm)	125
Width of tyre (mm)	35
Plate hole diameter (mm)	12
Offset (mm)	107
Overall height (mm)	151
Load	125
Unit Weight of the wheel (kg)	1.138
Volume (cm ³)	1864
